

Rogue Office & Esports Desk

by **MFC**

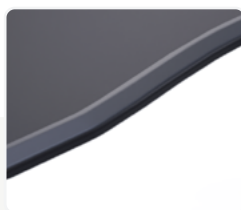

Dedicated to creating the perfect setup.

My Favorite Company brings you the Rogue! Crafted with precision engineering and uncompromising quality, the Rogue embodies the essence of its namesake – a rogue, a maverick, a trailblazer in the realm of gaming furniture. Like the Rogue itself, the table flows seamlessly between realms, offering gamers the freedom to adapt and conquer their physical and virtual worlds with unmatched comfort and style.

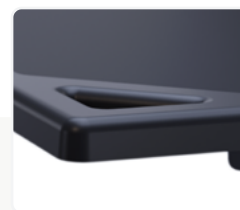

Adjustable Height

Adjusts to heights between 28" – 45" with three programable height settings

Ergonomic Design

Urethane curved edge provides comfort and ease to wrists and elbows

Tech Ready

Built-in USB charging port and cable management for a tidy desktop
